

Room and Board.

Your business is work enough. So when you need to bring your people together, bring them to us. With 75 years of Marriott experience and 50,000 square feet of space (all just two miles from the beach), we can accommodate everything from board-rooms to ballrooms. With attention to detail that makes doing business a pleasure. And when the meeting adjourns, relax in the pool... the hot-tub... or at one of our restaurants. Because this isn't just a meeting-place. It's a Marriott.
